SIR,

I am directed to state that S.K. Abdul Azeez, Process Server of the Munsiff's Court, Sagar, has submitted his proposal for insurance, in which he has stated the date of his birth to be 18th March 1913, but in his Service Register the said date is entered as 10th July 1913. At the instance of the Secretary of the Insurance Department a report regarding the discrepancy was called for from the District Judge of Shimoga and the latter has submitted the explanation of the Process Server concerned. The Server states that when entries were made in his Service Register he gave an approximate date of his birth, that is, 10th July 1913, and that, when he submitted the proposal for insurance, he ascertained from his elders and gave the date of his birth as 18th March 1913, and prays that the date entered in his Service Register may be permitted to be altered from 10-7-1913 to 18-3-1913.

The column in the Service Register showing the particulars as to the "document upon which the entry of date of birth is based" is left blank and consequently the statement of the Server to the effect that an approximate date of birth was entered in the Service Register seems to be correct. When making entries in the Service Register, the office of the Munsiff's Court, Sagar, should have been careful enough to obtain one of the documents required in paragraph 27(c) at page 260

of

of the Mysore Civil Account Code, Volume I, and the failure to do so has partly contributed to the discrepancy in question. However, instructions are issued to that Court to strictly adhere to the rules in future.

I am to request that the Government may be pleased to accord sanction to alter the date of birth entered in the Service Register of the Process Server from 10th July 1913 to 18th March 1913.

I have the honour to be,

Sir,

Your most obedient servant,

REGISTRAR.
